

Elie Family Engineering Scholarship
2018

Each year, the Elie Family chooses an eligible Engineering Student to be the recipient of their distinguished Scholarship in the amount of \$5000.00. The Elie Family representatives will be involved in choosing the final candidate for this scholarship.

Eligibility Requirements:

- A COT Senior Engineering student pursuing an engineering degree.
- The selected student must be enrolled in a four year college for engineering.
- Please attach a copy of your high school transcript to this application.
- The following essay must be submitted with your application that is attached.
- Representatives of the Elie family will interview the candidates and will determine the final recipient.
- If you are a recipient of the scholarship, you agree to all stipulations in the granting of the scholarship. You will need to supply an official transcript following the completion of your first semester. You must have a C+ or better to receive this scholarship following review of your first semester grades.
- The application is due May 3, 2018 by 2:45. The application can be submitted to the COT office.
