

MAINE MANUFACTURERS CAREER & TRAINING FOUNDATION EDUCATION FUND SCHOLARSHIP PROGRAM INFORMATION & APPLICATION

The Maine Manufacturers Career and Training Foundation, administered at the Manufacturers Association of Maine, provides scholarship awards to individuals who have demonstrated an outstanding record and the overall potential to attend an institution of higher learning, majoring in manufacturing trade or related areas (Mechanical Engineering, Machine Tool Technology, Sheet Metal Fabrication, Welding, CAD/CAM, etc.). This scholarship is restricted to the study of precision machining technology, manufacturing technology, welding and engineering and will be used to pay for tuition costs and textbooks only. MMCTF Education Fund will be reimbursed any monies in account if student is unable to complete school. All applicants must be full-time students and maintain a minimum of a C average.

The Association will accept applications starting January 1 of each year. Application deadline is April 30th. The scholarship will be awarded for one year at a time. Applicants must reapply, in complete each year, if interested in a second scholarship. If you have any questions, contact the Manufacturers Association of Maine office.

Eligibility

- ◆ The applicant must have a sincere desire to further their education in the precision machining technology, manufacturing technology, welding or engineering.
- ◆ The recipient of any scholarship award must have applied to enter a precision machining technology, manufacturing technology, welding or engineering program at a Maine college/university in the fall, and must be accepted as a student at that college or university, and also must be a Maine resident.

The following factors will be used to determine the award of scholarships

- ◆ Personal qualifications of positive attitude, self motivated initiative, seriousness of intent and overall impression.
- ◆ Proven aptitude or demonstrated ability in the precision machining technology, manufacturing technology, welding or engineering.
- ◆ High school and post secondary records - scholastic and extracurricular.

Applicant must include each of the following with application

- ◆ Completed Scholarship application.
- ◆ Copy of high school diploma or equivalent - or expected graduation date and school name.
- ◆ Copy of high school and/or post secondary transcripts.
- ◆ At least one letter (two preferred) of recommendation from a source outside your family, e.g., teacher, employer, business person, town leader, clergy, etc.
- ◆ In your own words, describe your goals, aspirations and accomplishments. Why and how did you decide on this career? Why do you think you should receive this scholarship? (use separate sheet, maximum one page)
